**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a Dominion customer.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I Purchase promises not kept - January 2019. Temporary freeze of SCana rates.

2. 2021 yet Dominion raised rates by 8% Refunds for failed nuclear power plant not honored.

3. Additional freeze on energy rate increase until November 1 2021, yet July 22, 2021 Dominion was approved to increase rates with agreement not to raise again until July 2023.

Now they want to increase rates by 6.63 per month starting May 1, 2022.

It is clear that Dominion never intended to live up to their agreement. These are just a few of the tricks they have played on unsuspecting, trusting utility users.

**3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \***

No, but I am going to try to attend.
